HENRY BASSETT V

ASSOCIATE

Henry Bassett is an Associate in the Dallas, TX branch of Mohr Partners. Henry brings over 8 years of experience in multiple industries across those years.

Prior to joining Mohr Partners, Henry was an Associate Director for Savills where he was responsible for implementing new development practices and instructing other team members in lead generation, business development, leading meetings and pitching new clients. Henry was also responsible for representing tenants from onboarding new clients, site selection, lease negotiation, execution and renewal.

Before that, he worked for Morrow Hill as a Corporate Advisor, where he was responsible for lead generation, business development, maintaining current accounts and generated new accounts in retail within the franchise industry. He was a national broker for self-storage franchises, executed multiple deals in 4 different states, including the acquisition of land for commercial and industrial real estate.

Henry attended Southern Methodist University and graduated with a Bachelor of Arts with a major in political science.
