### EDUCATION

- University of Illinois at Chicago  
*Bachelor of Arts, Communication*

Anthony Anichini serves as an Associate in Mohr Partners' Chicago office. Anthony's primary focus is working with industrial and office space users that have multiple locations throughout the nation. His expertise lies directly in advising middle market and Fortune 500 companies with their lease transactions. His loyalty stands with the tenant only, so there are no possible conflicts of interest when negotiating.

Anthony has experience in several different industries and comes to our firm with a background in sales, planning, and customer service.

Prior to joining Mohr Partners, Anthony worked at an advertising firm based in Chicago. He first served as a Business Development Representative before transitioning to a Media Planner.

As a Business Development Representative, Anthony successfully prospected Fortune 500 and middle-market business professionals and secured numerous meetings that directly led to new business for four different business units within the company. After moving to a Media Planner role, he determined the most effective media mix for potential clients and prepared strategic digital marketing collateral.

Outside of work, he enjoys staying active outdoors, spending time with his family and friends and supporting small businesses in Chicago.

He graduated from the University of Illinois at Chicago with a bachelor's degree in communication and a minor in entrepreneurship.
