EMAIL: mohammed.nadeem@mohrpartners.com

OFFICE: Hyderabad, India

EDUCATION

- Dr. B.R. Ambedkar University
Bachelor of Public Administration
- Government Polytechnic College, Warangal
Diploma of Education, Business Administration and Management

Mohammed Nadeem serves as a Research Analyst for Mohr Partners, Inc. In this role, he is responsible for collecting and analyzing data, maintaining client datasets and continually elevating the quality of Mohr Partners' market reports.

He previously served as a Market Research Analyst at OneSky Offshore, where he specialized in data research and mining for United States-based clients. There, Mohammed engaged in both primary and secondary research, extracting data from diverse sources to construct extensive databases. He also aided in the aggregation of substantial datasets on non-profit organizations throughout the US market.

Additionally, Mohammed worked as a Data Research Analyst for SnD Confrere and as a Junior Analyst for MedTourEasy.

Mohammed has a Bachelor of Public Administration from Dr. B.R. Ambedkar University and a Diploma of Education in Business Administration and Management from the Government Polytechnic College, Warangal.
