

IT'S CAM AUDIT SEASON

CAM, or **common area maintenance** charges, are an important element of the rent roll. As the name signifies, CAM charges refer to the expenses incurred by the Landlord on account of maintaining the common areas of the leased premises.

Why outsource your CAM audit and reconciliation tasks?

Keep your costs low

Save your team time

Leverage our vast experience across multiple industry types

Hassle free as we handle the negotiations with the landlord

Proven significant savings
