Matthew Lehmann serves as a Business Development Associate in the Mohr Partners research department. He is responsible for conducting market research, analyzing industry trends and supporting the development of strategies to enhance client acquisition and retention.

Prior to joining Mohr Partners, he worked as an Analyst at Adept Commercial Real Estate. In that role, he prospected potential clients via cold-calling, conducted financial analyses and utilized Buildout software for property marketing and showings. He also thoroughly researched and databased the Oklahoma City industrial market.

Additionally, he was the Chief Financial Officer of Crimson & Cozy, a blanket company that raised over \$15,000 in revenue.

Matthew graduated from the University of Oklahoma with a Bachelor of Business Administration in Finance. He is also a licensed real estate agent in Texas and Oklahoma.
