

SATHYA CHANDRASEKARAN

LEASE ADMIN SENIOR ASSOCIATE – ABSTRACTIONS

EMAIL: satya.c@mohrpartners.com

OFFICE: Chennai, India

EDUCATION

- Prof. Dhanapalan College of Arts & Science, *Bachelor's degree in Mathematics*

Sathya has joined Mohr Partners as a Senior Lease Administration Associate – Abstraction, bringing over five years of specialized experience in lease data management, abstraction, and translation across multiple platforms and client portfolios.

She has worked with leading firms like IBM India Pvt. Ltd., Colliers International, Annet Technologies, and Mobius Knowledge Services, gaining hands-on expertise in lease document review, abstraction of legal and financial clauses, and maintaining accurate electronic lease files. In her most recent role, she also contributed to freelance lease abstraction projects.

Sathya has a strong background in multilingual lease translation, having worked with Tier 1, 2, and 3 languages, and has consistently delivered high-quality outputs through careful verification, data accuracy checks, and discrepancy resolution. She is also skilled in tools like Sequentra and Salesforce, with experience generating custom client reports and handling lease routing processes.

She holds a Bachelor's degree in Mathematics from Prof. Dhanapalan College of Arts and Science, Chennai..
